### Innovations & World Records

- To promote Green India & save the natural resources, students of Suryadatta created an 8 feet 6 inches tall and 8 feet 3 inches long statue of a Horse which weighed 370 kgs. This horse was made entirely from e-waste or scrap. Students worked and completed this horse preparation in merely 48 hours. The key take away from this endeavour were persistence; focus and commitment towards any and all tasks undertaken. Flying Horse was made using e-waste and scrap material which ensures that we not only save electricity, fuel, man-hours, other overheads, transportation, space required for disposal of scrap but also save precious natural resources for generations to come.

- Kavyathon 2019 – Dr Chordiya pioneered the unique initiative of 25 hours continuous relay singing of patriotic songs to mark the occasion of 73rd Independence day on 14th & 15th August 2019. Students & staff members were encouraged to participate to create a long lasting positive impact on their personality & outlook towards life, society & Nation at large and inculcate patriotic spirit. All the National days / festivals are celebrated in true spirit and are not only celebrated on that particular day /hour but are celebrated throughout the week / month by inviting distinguished personalities who have served the Nation selflessly so that the next generation can carry forward the legacy.

- In 2019, Dr Sanjay Chordiya came up with yet another unique thought of planting Tulsi / Basil plants which is medicinal as well worshipped as Goddess. The plantation of 1100 Tulsi plants (marking the outline of India map) in 11 minutes was organized by 1100 school students. The concept was planting of these Basil plants across the boundary of our country was to spread peace & harmony in the world. Our borders are guarded by our brave soldiers day and night. We, as a nation will remain eternally grateful to them and offer them unflinching support. And there are innumerable ways to do that. Suryadatta came up with this innovative concept to express our solidarity and our patriotism – by invoking the blessings of Tulsi Mata for securing our borders.

## Innovations & World Records

- In 2020, Dr Sanjay Chordiya came up with a unique idea of celebrating 157th birth anniversary of Swami Vivekanand, India’s most revered spiritual & historical leader. It had also been 127 years since his famous Chicago Speech in Parliament of the World’s Religions in Chicago wherein he sowed the seed of Vedanta in the West. To commemorate this historic & memorable event, Suryadatta organised a function on 11th January 2020. One student of Suryadatta read aloud the historical address and 1200 students & staff members followed him. It was a unique event organized for the first time ever and would be recorded in various record books. This event had been organized to inculcate good values and a spirit of unity, nationality and pride in the students and also to remember our great leaders and saints who dedicated their lives in making this country a unique, vibrant democracy.
